THE NEW YORK WEEKLY TIMES

The Cheapest and Best Family and General

Newspaper in the United States.

The NEW YORK WEEKLY TIMES is a large and elegantly printed quarto sheet, of eight pages, or for yesterdays—devoted to Politics, Literature and General News, and intended to be the GREATEST FAMILY NEWSPAPER in the United States.

The first aim of the TIMES is, and will always be, to keep its readers thoroughly and rapidly posted up-to-date upon everything which may happen, of general interest in any part of the world. It comments rapidly and freely upon all topics of importance in every department of political action and always in the interest of Freedom, Order, and the Public Good. While its influence will be uniformly conservative, it is not, however, of measure, in just and benevolent progress, and resists the increase, extension, or propagation of Slavery, as of everything else incompatible with the highest welfare of the whole community. While it reports promptly and accurately all intelligence of general interest in every department of human activity, it never panderes to vicious taste, and excludes from its columns everything that might render it unsafe or improper for general Family perusal. It seeks to promote the general welfare by urging the claims of

EDUCATION, MORALITY and RELIGION

upon the masses of the people; and in all its discussions it endeavors constantly to be guided and controlled by the spirit of

MODERATION, PATRIOTISM, and COMMON

SENSE.

In its correspondence, both foreign and domestic, the TIMES is considered superior to any other American Journal. Its editor is Congressional and Legislative Proceedings, Financial, Commercial and General INTELLIGENCE.
